Join us for a wonderful day!

Avenues, in conjunction with the White Hat Ball Committee is delighted to announce the date for our Golf Challenge for 2011, taking place on Wednesday 22 June 2011 at Kings Hill Golf Club.

Now in its fifth anniversary year, Avenues and the White Hat ball Committee have teamed up again to organise a day whereby Avenues' supporters, suppliers, staff and the people we support come together to raise money for our Sports & Active Lifestyles project.

The Sports & Active Lifestyles Project promotes exercise and healthier lifestyles and works with the people that Avenues supports to be more active whilst helping them to engage in their local communities. We have produced a toolkit for staff to help them encourage the people we support to get out and about and use more local facilities and experience a wide range of activities.

The project has so far helped to fund a variety of different activities including sailing taster sessions and courses, a new strip and equipment for our football team - Avenues United, Badminton courses and equipment plus many more.

Our Charity Golf Day always raises a considerable amount of money for this project but this year we hope to raise even more.
