

The Avenues BBQ!

On Saturday 5th September, Avenues held its yearly BBQ at the Aylesford Priory.

This year we decided to do something a bit different and introduce the theme of a 'village fete'.

The Village Fete theme gave all of the people we support at our services and our staff the opportunity to manage a stall which sold anything from fresh vegetables to home made cake.

The day also provided other activities to join in with including football, face painting and garden games.

The weather was better than last year and the sun shone all day giving the Avenues Albion football team the chance to play some 5 a-side football matches which some staff joined in with. Karen Grandison (pictured right) was very pleased to win 'player of the day' award.

Avenues also arranged to hire some DJ equipment so that Mark Goddard, a person supported by Avenues, could provide the music for the day.

It was a great turn out and a good day was had by all!
