

The Avenues Barn Dance!

On Wednesday 11th February 2009, Avenues held its annual New Year Party for the people we support. This year was titled 'The Avenues Barn Dance' and the event took place at the Thistle Hotel in Brands Hatch.

After having to cancel the first date due to the snowy weather conditions, the night turned out to be a huge success with a brilliant turn out. Nearly everyone made the effort to get dressed up and join in with the Ceilidh (Kaylee) band.

This event was to replace the cancelled Christmas Party and was partly paid for by a fundraising week which was held at the Avenues Head Office.

We are happy to report that the dance floor was full to the brim all night with people strutting their stuff and showing us their moves. Everyone also had the chance to learn some line dancing.

Steve James, Group Chief Executive said "I thought the barn dance at Brands Hatch was fantastic - I have never seen so many people dancing!"

We are already organising next years party - The Valentines Masquerade Ball!
