About the property and location

This service offers spacious supported living for people with disabilities. It is a large detached house in a quiet residential area of Warlingham, Caterham. The building includes six bedrooms with five bathrooms.

it is located is a short distance from the main village of Warlingham - a bright, bustling little village with local shops, pubs, cafes, large supermarket and other community activities. It has excellent public transport links (bus and train) and the larger town of Caterham is very close by.

Facilities

The house has large communal spaces and a secured and secluded garden from the conservatory. Plus, a large communal kitchen with separate dining area next to it.

Everyone has their own bedroom which is decorated and personalised according to their tastes and needs. Communal areas are decorated in discussion with the wishes of the residents as a group.

The bedrooms are not ensuite, but there are five bathrooms and toilets that would lend themselves to potentially exclusive use as well as a communal bathroom and other facilities around the house.

Person profile

This service is ideal for people with low support needs who are fairly independent in their daily needs and tasks.

The service would suit people who are sociable or would like to build on this. It also allows people to have more than enough space to not feel crowded or pressured should they not wish to mix or socialise.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our packages recognise the distinct needs, ambitions, likes and dislikes of each person. At this service this includes shared support and one-to-one. This aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, budgeting, accessing the community and building relationships.
