About the property and location

This is a service comprising of 15 self-contained flats. Each flat has its own wet room fitted with a bath or shower, separate bedroom, kitchen and lounge. All flats have access to communal bathroom facilities.

The service is within walking distance to High Brooms train station and 1.3 miles to Tunbridge Wells train station. There is a superstore 20 minutes walk away. Dunorlan Park is within walking distance.

There is a bus stop very close providing easy access to Tunbridge Wells town centre. There are also easy transport links to other local towns such as Maidstone, Sevenoaks or further afield.

Person profile

The service provides support for people with learning difficulties, autism, physical disabilities and complex health needs on a one-to-one basis. The age of the people we support at the service ranges from 30-75 years. People are of mixed gender.

People supported at this service benefit from a weekly visit from a music therapist and regular communal activities are offered for those who want to take part.

Facilities

The building has large communal spaces and a secured and secluded garden.

There is a large communal lounge and communal kitchen. Everyone has their own flat which is decorated and personalised according to their tastes and needs.

Avenues believes everyone should enjoy a full life and play an active part in their support.

Our support

All our packages recognise the distinct needs, ambitions, likes and dislikes of each person. At this service we provide one-to-one support. This aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, budgeting, accessing the community and building relationships. The staff team comprise of experienced Support Workers who provide consistent support to individuals. In addition to regulatory training, staff are supported with a variety of service led training to ensure good quality support and care for people with complex health needs and disabilities. The service Manager has a PBS qualification and is supported by four Assistant Service Managers.
