About the property and location

This property is comprised of three bungalows in a quiet residential Close. Each bungalow has six purpose built bedrooms with ensuite bathrooms. They also each have a living room, dining room, kitchen and a secure garden area.

The property is close to bus routes and within walking distance of shops and community facilities. Sevenoaks train station is a five minute walk and Knole Park is a 10 minute drive.

The service has its own wheelchair adapted vehicle to support people to access the community.

Facilities

All bedrooms have ensuite facilities including a shower, sink and toilet. Some bedrooms are fitted with an overhead hoists. Bedrsooms can be decorated and personalised according to people's individual tastes.

There is an spacious communal bathroom in each bungalow. There is an open plan kitchen, lounge and separate dining room. Communal areas are decorated in discussion with the people we support.

Each bungalow has a secure garden and patio area.

Person profile

This property provides support for people of mixed gender over the age of 18 who have learning disabilities, physical disabilities and complex needs. Support is provided on a shared and one-to-one basis.

The service would suit people who are sociable or would like to build on this. It also allows people to have more than enough space to not feel crowded or pressured should they not wish to mix or socialise.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our packages recognise the distinct needs, ambitions, likes and dislikes of each person. We provide one-to-one and shared support at this service. This aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, accessing the community and building relationships.
The staff team is comprised of experienced Support Workers who provide consistent support to individuals. In addition to regulatory training, staff are supported with a variety of service led training to ensure good quality of support and care to the people with complex health needs and disabilities.

This service is supported by a Registered Service Manager and three Assistant Service Managers.
