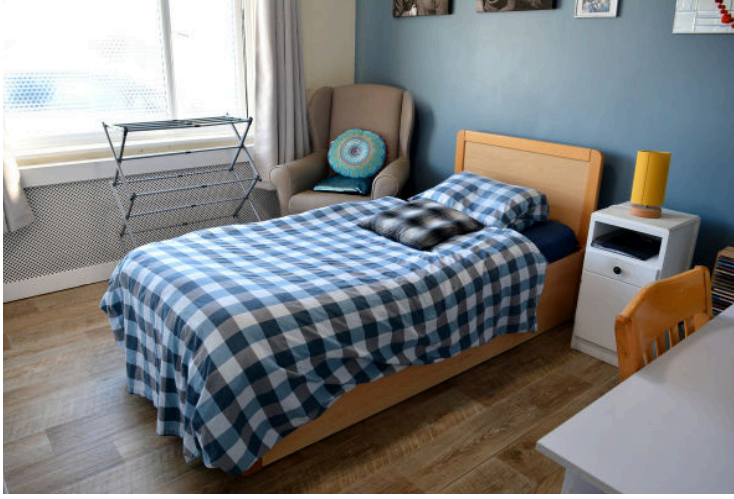
About the property

This service is a detached bungalow which offers accessible supported living for people with disabilities. It is set in the rural area of Blue Bell Hill. an area of outstanding natural beauty.

The service is within easy reach of the local community It also has convenient public transport (bus and train) to Rochester and London.

The age of the people we support at the service is 40 plus and are of mixed gender.



Facilities

The building is entirely wheelchair accessible. All bedrooms have access to shared shower room and bathroom.

The rooms all share a lounge, kitchen and dining room. There is a large secluded garden.

The service is suitable for people with profound and multiple learning disabilities and physical disabilities.

The service provides both one-to-one and shared support to assist with personal care, medication, upskilling daily living skills, meaningful engagement, active support and accessing the community.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our support packages recognise the distinct needs, ambitions, likes and dislikes of each person, this includes shared support with other housemates and one-to-one. This should enable everyone to feel part of the local area and access the great things it has to offer.
