About the property and location

This service is a house with all bedrooms located on the first floor. On the ground floor is a communal lounge, kitchen and wet room.

The service is a short distance from the village of Biggin Hill - a bright, bustling little village with local shops, pubs, cafes, a large supermarket and leisure centre. It has excellent public transport links (bus and train) to larger towns close by.

Facilities

This house features a large communal lounge and communal kitchen. It also has a secured and secluded garden

Each bedrooms can be decorated and personalised according to individual tastes and needs. Communal areas are decorated in discussion with the wishes of the residents as a group.

The bedrooms are not ensuite, but there are two bathrooms and toilets shared between three supported individuals.

Person profile

This service is ideal for people with low support needs who are fairly independent in their daily needs and tasks.

The service would suit people who are sociable or would like to build on this. It also allows people to have more than enough space to not feel crowded or pressured should they not wish to mix or socialise.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our packages recognise the distinct needs, ambitions, likes and dislikes of each person. This includes shared support and one-to-one. This aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, budgeting, accessing the community and building relationships.
