About the property and location

This property, a large house, offers a communal kitchen as well as a communal lounge and dining room. It is situated in a quiet residential area of New Malden. The building has three bedrooms.

The property is a short distance from the main town of New Malden- a bright, bustling town with local shops, pubs, cafes, large supermarket and other community activities. It has excellent public transport links (bus and train) to London. New Malden Station is five minutes away.

Facilities

The house has large communal spaces and a secured and secluded garden . Plus, the large communal kitchen has a dining area next to it.

Everyone has their own upstairs bedroom which is decorated and personalised according to their tastes and needs. Communal areas are decorated in discussion with the wishes of the residents as a group.

The three bedrooms are ensuite. The service has a sleep-in staff each night.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our packages recognise the distinct needs, ambitions, likes and dislikes of each person. We offer both shared and one-to-one support which aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, budgeting, accessing the community and building relationships.

Person profile

The property is ideal for people with learning disabilities and autistic people.

The service would suit people who are sociable or would like to build on this. It also allows people to have more than enough space to not feel crowded or pressured should they not wish to mix or socialise.
