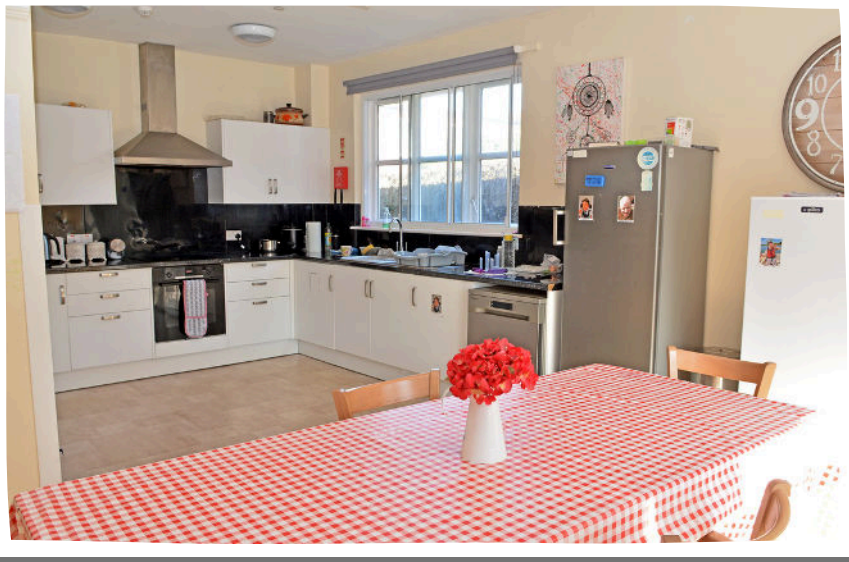
About the property and location

Peach Cottage is a large home set in the heart of Tadley, Hampshire and within easy reach of local amenities (local shops, pubs, cafes, and community connections).

Local towns include Silchester with its Roman city walls & amphitheatre and the main town of Basingstoke which all provide accessible activities, leisure centres that have fully accessible disabled changing rooms, gym, pool access facilities, and cafes.



Facilities

The downstairs boasts a large communal kitchen / diner which is great for socialising. This leads into a large lounge that overlooks the well-kept and accessible private rear garden.

There are two large double bedrooms that share a large jack/jill en-suite with fully equipped ceiling hoists and accessible bath.

The property also benefits from another conservatory which leads out to the garden for all to use.

Person profile

This service has no gender restrictions, and suitable for ages 20-45 years.

This service suits people with complex needs and multiple learning difficulties.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. At Peach Cottage, we believe the individual can benefit from both shared hours and 1-1 hours to provide the right support. This combines personal care, medication, upskilling daily living tasks, meaningful engagement, active support, accessing their community and building and maintaining relationships important to them.
