About the property and location

This property is a service comprising of ten self-contained en-suite flats..

The property is a short distance from the main town of Stowmarket - a bright, bustling town with local shops, pubs, cafes, a large supermarket and other community activities. It has excellent public transport links. The service is also a two minute walk from the Health Centre, cafe and local shops.

There is a great village community with lots of events held at the community hall such as bingo and coffee mornings.

Facilities

The house has a large communal kitchen and also a large, secluded wraparound garden.

Everyone has their own flat which is decorated and personalised according to their tastes and needs. They also include assistive technology. There is also an accessible communal kitchen. Communal areas are decorated in discussion with the wishes of the residents as a group.

Based on the needs of the people we support, we have a combination of one-to-one and shared support with two-to-one for all moving and handling transfers (using hoists). We have a shared sleep-in.

Person profile

This property is a specialised ABI service with fully trained staff specialising in this field. The service is fully accessible for wheelchairs.

The age range for this service is 25 plus and is of mixed gender.

The service would suit people who are sociable or would like to build on this. It also allows people to have more than enough space to not feel crowded or pressured should they not wish to mix or socialise.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our packages recognise the distinct needs, ambitions, likes and dislikes of each person and includes shared support and one-to-one. This aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, budgeting, accessing the community and building relationships.
