About the property and location

This service is located in a quiet residential area of Horley and just a short distance from the main town.

In the local area are shops, pubs, cafes, easy access to public transport and other community activities also within walking distance.

Facilities

The property is a five-bedroom detached house in a quiet residential area, just a five minute walk from Chapelmede.

The property boasts two separate lounges for all to use, as well as a large dining area and a well-kept garden.

Everyone has their own bedroom which is decorated and personalised according to their tastes and needs. Communal areas are decorated in discussion with the wishes of the residents as a group.

Person profile

This service is for young residents of all genders. Age range is 25 plus. Everyone currently living at the property is sociable, and keen to develop and enhance their skills.

The service suits those with low to moderate support needs, and people that are independent and communicative.

Our support

Our ambition is for people to experience a sense of belonging, and enjoy a full life.

At this property, we believe the individual can benefit from both shared hours and one-to-one hours to provide the right support with personal care, medication, upskilling daily living tasks, meaningful engagement, active support and building and maintaining relationships that are important to them.
