Facilities

This service is a well-maintained property owned by Hyde Housing. Avenues group are the managing agents.

The home boasts six very spacious bedrooms and a beautiful garden that is maintained every two weeks. There is car parking on site which can host at least four to five cars.

Person profile

This service is suited to residents aged 45 plus, who are very independent and have low support needs (including those with mild learning disabilities and autism).

The current residents have mixed abilities and are supported to maintain independence in the home and in the wider community.

Our support

Our ambition is for people to experience a sense of belonging, and enjoy a full life, no matter how complex their personal situation.

At this property, support is tailored for all individuals to support with cooking preparations, weekly food shopping, financial affairs and accessing the community. We provide twenty-four-hour support staff including sleep-in night staff, and offer additional hours as per the assessed need of the individual.
