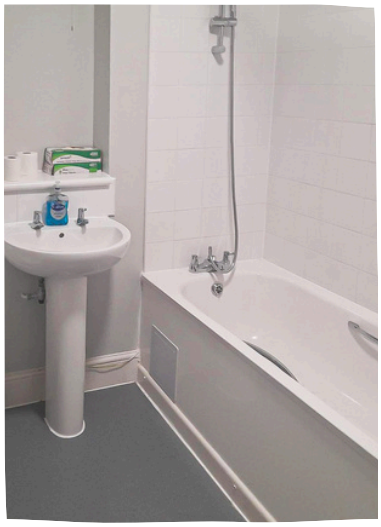
This service is a detached house with ample communal areas on the ground floor, including a large lounge and a smaller, quieter sitting area, as well as a generous kitchen and dining room.

The house contains six bedrooms, which, while not en-suite, each have their own sinks. Communal bathrooms and toilets are also available for use. There is parking to the front of the property. The large garden is to the rear of the property, has a patio area and is cultivated to blossom in the warmer months. The property also has a large, detached garage.



Person profile

This service is ideal for people who are 50 years old and over, with medium to high support needs. It has twenty-four-hour support staff including waking night staff. The service would suit people who are sociable or would like to build on this. It also allows people to have more than enough space to not feel crowded or pressured should they not wish to mix or socialise.

Our support

Avenues believes everyone should enjoy a full life and play an active part in their support. All our packages recognise the distinct needs, ambitions, likes and dislikes of each person. This includes shared support and one-to-one. This aims to facilitate daily living skills and work towards greater independence, healthy living and wellbeing, budgeting, accessing the community and building relationships.
